Re: *United States, et al. v. NCR Corporation, et al.*  
Case No. 10-cv-910-WCG

Dear Judge Griesbach:

This letter is written on behalf of my client, Menasha Corporation. The Court has asked the question whether the parties would be available for a trial on December 3, 2012. Menasha has the lead for the joint defense group on the remedy challenge issues. Menasha has requested that I write this letter to inform you of its desire that I be its lead counsel in any upcoming trial.

Unfortunately, I have a long-scheduled, prepaid vacation to Palau and the Federated States of Micronesia scheduled from December 2 to 19, 2012. The trip is with a group of scuba divers and involves the charter of two large boats. For this trip, my share of the boats alone is over \$9,000. This cannot be changed. Trip insurance will not cover this loss.

Accordingly, Menasha respectfully requests that the trial not be held during my scheduled vacation in December 2012.

Respectfully submitted,  
**Hunsucker Goodstein & Nelson PC**
